

TONBRIDGE & MALLING BOROUGH COUNCIL

RECORD OF DECISION

Decision Taken By: Cabinet Member for Climate Change, Regeneration and Property

**Decision No:
D230053MEM**

Date: 14 June 2023

Decision(s) and Reason(s)

Climate Change Monitoring and Reporting

(Report of Chief Executive)

Member approval was sought for publication of the Climate Change Action Plan Year 3 Progress Report (2022/23) and Carbon Audits for years 1 and 2, set out in Annexes 1 to 3 respectively.

Good progress had been made on the 50 climate change actions for 2022/23 with around half rated as 'ongoing' due to either continuing collaborations or multi-year projects. Where actions had changed or were not fully completed an explanation had been provided and these were summarised in 1.2 of the report.

Carbon Audits provided quality assured data for the Borough Council owned estate and operations and both audits illustrated that these remained the most significant contributors to emissions.

Following consideration by the Communities and Environment Scrutiny Select Committee, the Cabinet Member for Climate Change, Regeneration and Property resolved that:

- (1) the Climate Change Action Plan Year 3 Progress Report, as set out in Annex 1 of the report, be endorsed; and
- (2) the Carbon Audits for Year 1 and 2, as set out in Annexes 2 and 3 of the report, be endorsed.

Reasons: As set out in the report submitted to the Communities and Environment Scrutiny Select Committee of 14 June 2023
