

Nomination of a Community Asset – Bombhole Play Area - Leybourne

1. Background

1.1 On 12 May 2023, Tonbridge and Malling Borough Council (“the Council”) received a nomination for a community asset from Leybourne Parish Council, in respect of the Bombhole Play Area – Leybourne (“the Land”).

1.2 The nomination describes the Land as follows:

“Play Area”

1.3 The landowner is Tonbridge and Malling Borough Council, who currently lease the land to Leybourne Parish Council.

1.4 The Parish Council (the nominator) describes the land as follows:

“area is used as a play area for the local community as well as a dog walking and exercise area”

The Parish Council also state:

“The use enables children and adults to exercise and this helps with mental health” and “It would be kept as a green area for the residents of Leybourne”

2. Legal Framework

2.1 Section 90 of the Localism Act 2011 (“the Act”) states:

“90 Procedure on community nominations

(1) This section applies if a local authority receives a community nomination.

(2) The authority must consider the nomination.

(3) The authority must accept the nomination if the land nominated—

(a) is in the authority's area, and

(b) is of community value.

(4) If the authority is required by subsection (3) to accept the nomination, the authority must cause the land to be included in the authority's list of assets of community value.

(5) The nomination is unsuccessful if subsection (3) does not require the authority to accept the nomination.

(6) If the nomination is unsuccessful, the authority must give, to the person who made the nomination, the authority's written reasons for its decision that the land could not be included in its list of assets of community value."

2.2 By s.88 of the Act, land is of "community value" if:

"in the opinion of the [Council]—

(a) an actual current use of the building or other land that is not an ancillary use furthers the social wellbeing or social interests of the local community, and

(b) it is realistic to think that there can continue to be non-ancillary use of the building or other land which will further (whether or not in the same way) the social wellbeing or social interests of the local community.

*...
[or]*

in the opinion of the [Council]—

(a) there is a time in the recent past when an actual use of the building or other land that was not an ancillary use furthered the social wellbeing or interests of the local community, and

(b) it is realistic to think that there is a time in the next five years when there could be non-ancillary use of the building or other land that would further (whether or not in the same way as before) the social wellbeing or social interests of the local community."

2.3 Land may only be listed in response to a community nomination (or in other prescribed circumstances which are not applicable here). A "community nomination" includes a nomination by a Parish Council.

3. Assessment of Nomination

Is it a "community nomination"?

The nomination has been made by a Parish Council in respect of land within its area, which meets the requirements of s.89(2) of the Act for a community nomination.

Is there an "actual current use" or "time in the recent past" where the land was in community use

The Land is currently in use for recreational purposes. The nomination states that it is used as a play area and is described as a place where people walk their dogs and undertake exercise.

Is there a realistic prospect in the next 5 years of a community use?

The Land is in current use for recreational purposes and there appears to be no indication that such use would not or could not continue.

4. Conclusion and Decision

- 4.1 The Council has received a valid community nomination for the Land.
- 4.2 The Land is in current use in a manner which furthers the social wellbeing of the local community.
- 4.3 It is realistic to think that the Land can continue to be put to such uses within the next 5 years.
- 4.4 The Land is in the Council's area and is of community value. The Land should therefore be included in the Council's list of assets of community value.
