Part 1- Public

Matters for Information

1 PRINCIPLES FOR FUTURE WEB SITE RE-DESIGN

- 1.1 Following the introduction of the new navigation tool to the web site, attention has now turned to the wider re-design.
- 1.2 Key to the project will be that there is a universal understanding and acceptance as to what the re-design is to achieve as, only by having such an understanding, will agreement on a design be achievable.
- 1.3 The attached are principles that your Management Team have agreed and which will underpin and inform the re-design.

2 LEGAL IMPLICATIONS

- 2.1 There are no legal implications.

3 FINANCIAL AND VALUE FOR MONEY CONSIDERATIONS

- 3.1 There are no financial implications.

4 RISK ASSESSMENT

- 4.1 There are no risks identified.
