

# **Premises Licence Review**

**Premises:** Dosh, 68-70 High Street, West Malling, Kent

## **Environmental Protection Comments:**

An application has been made by the Southeast Immigration Compliance and Enforcement (ICE) Team for a review of the Premises Licence for the abovementioned premises. The Application has cited the following Licensing Objectives as reason for the Review being sought:

- Prevention of Crime and Disorder

I have no comments in relation to the Licensing Objective cited.

However, for clarity, I would add that over the past 10 years there have been no complaints received in the Environmental Protection team that are pertinent to the Licensing Objectives.
