| Decision(s) and Reason(s) |
| S106 SUPPORT FOR YOUTH AND COMMUNITY AT WOULDHAM |
| After careful consideration, the Cabinet Member for Community Services RESOLVED that: (1) Section 106 money to support “Youth and Community” be provided to Wouldham Parish Council via a two-year Service Level Agreement to fund a part time, 2-year fixed term Community Worker Post. |
| Reasons for decision: Within the Section 106 agreement for Peters Village, there is a sum of £58,203.13 allocated to provide services for youth and community. This funding is specifically for youth and community for the benefit of residents in and around Peters Village. Wouldham Parish Council have confirmed that they will appoint a Youth and Community Worker to work from Peters Village Community Centre, the Village Hall and outreach into Snodland. The Youth and Community Worker will deliver projects for residents via a Service Level Agreement between the Borough Council and Wouldham Parish Council. The Community Worker will provide support to vulnerable people and provide diversionary activities for children and young people. Allocating this S106 contribution in line with the agreed principles will ensure that the money is used for community benefit, rather than returned to the developer. |
