Subject: TMBC - Kings Hill Parking Review 2nd Formal Consultation:
Date: 06 October 2023 12:52:20

Dear Andy

At yesterday's meeting of the Parish Councils Planning & Transport Committee, the council considered the council's response to the consultation and takes the opportunity to respond as follows:

1. Can TMBC clarify the position regarding Regent Way.
2. The Parish Council would like more weight to be given to the feedback from those residents who might be more negatively impacted by the implementation of double yellow lines.
3. The Parish Council would like TMBC to consider an alternative and more measured approach to the parking situation in Kings Hill.
4. The Parish Council would like TMBC to reiterate the comments submitted by residents in previous consultations.
5. The Parish Council would like TMBC to fully explore considerate parking initiatives.
6. The Parish Council would like parking proposals to focus on the problems created by those choosing to park near crossing points and roundabouts.
7. The Parish Council would like TMBC to consider the migration of displaced vehicles and the negative impact this would have on other areas not directly affected by the double lining proposals.

I hope you will consider the council's feedback constructive and helpful.

Kind regards

Karen Bell
