2. In the case of a disabled person's badge, this must be clearly displayed at all times in accordance with the directions/guidance issued by the Department for Transport".

### **3. Interpretation**

The Interpretation Act 1978 shall apply for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.

Unless expressly stated to the contrary any reference to a specific statute includes any statutory extension or modification, amendment or re-enactment of that statute and any regulations or orders made under it, and any general reference to a statute includes regulations or orders made under that statute.

Reference to any order regulation or statutory instrument includes any order replacing or amending the order regulation or statutory instrument.

## **Part C - General provisions relating to the use of parking places**

### **1. Location of parking places**

In Schedule 1 (Tables of Parking Places), each area of land specified by name in Column 1 may be used, as a parking place for vehicles of the specified class, on the days, times and conditions specified in Column 2, and at a charge, if any, indicated in Column 3.

### **2. Parking for specified classes of vehicle**

Unless previously agreed in writing by the Council, the driver of a vehicle shall not cause it to park in a parking place where a vehicle class has been specified unless the vehicle is of the specified class for that parking place and parking bay.

### **3. Requirement to park within bay markings**

Where within a parking place, there are surface markings which indicate parking bays; the driver of a vehicle shall not cause it to park otherwise than wholly within such a parking bay, specific to that class of vehicle.

### **4. Alterations to parking bays and markings**

The Council may at any time change the location or number of such parking bays or markings within a parking place.

### **5. Relating to disabled persons parking bays**

Where, within a parking place, there is a sign or surface marking which indicates that a parking bay is available only for a disabled person's vehicle, the driver of a vehicle shall not cause it to park in that parking bay unless it displays a current 'disabled person's badge' in accordance with the provisions of the Regulations of 2000 and the registered disabled person is either the driver or a passenger in the vehicle.

The driver of a vehicle displaying a current 'disabled person's badge' in accordance with the provisions of the Regulations of 2000 may park the vehicle, free of charge in a parking place provided that the period of stay does not exceed the maximum stay for that parking place. A driver displaying a current 'disabled person's' valid badge may also park in a normal bay under the same conditions.

### **6. Maximum duration of stay**

The driver of a vehicle shall not cause or allow that vehicle to remain in the parking place for longer than the maximum period of time indicated on the relevant parking place notice.

### **7. "No return" period**

The driver of a vehicle shall not cause or allow that vehicle to return to the parking place within the period of time specified on the parking place notice.

### **8. Suspension of use of parking places**

Notwithstanding any other provision of this Order, the Council may suspend the use of or close a parking place, or any part of a parking place, for such period as it considers appropriate.

The driver of a vehicle shall not leave that vehicle in a parking place at any time when it is deemed to be suspended or closed by the Council in accordance with the provisions of the prior paragraph of this Article.

**9. Authority to park and conditions of use**

Except as otherwise provided in this Order, no vehicle shall be left in a parking place during a charging period unless the driver has first obtained one of the following: P & D ticket, T & D ticket, season ticket (including off peak season tickets), preferential permit or permit and displayed it in the relevant position, or made use of the pay by phone option.

**10. Requirement to clearly display permits etc.**

Whenever a vehicle occupies any of the parking places specified in Schedule 1 (Tables of Parking Places) and is required to display one of the following;

- a) P & D ticket
- b) T & D ticket
- c) season ticket (including off peak season tickets)
- d) preferential permit or permit

it must be done in a manner so that the expiry time or date, permit or season ticket bar code (where present), or any other condition of parking is clearly visible at all times.

**11. Extending stay in P & D parking**

Additional P & D tickets may be purchased to allow the vehicle to remain up to the maximum period of stay.

**12. Vehicles changing parking places and validity of P & D tickets**

Unless otherwise directed, a P & D ticket shall only be valid for use in a parking place in which it was purchased or in any other parking place within the same charge group within column 1 of Schedule 1 (Tables of Parking Places).

**13. Vehicles changing parking places and validity of T & D tickets**

T & D tickets shall only be valid for use in a parking place in which it was obtained

**14. Transfer of tickets between vehicles**

P & D tickets and T & D tickets are not transferable between vehicles. Where a registration number is displayed upon a P & D or T & D ticket, it is only valid when displayed within a vehicle bearing that registration.

**15. Requirements of drivers using phone payment services**

Whenever the Council's phone payment service option is used it is the driver's responsibility to ensure that their period of stay has been recorded with the relevant company. This registration is not transferable and a fresh notification is required if the vehicle is moved to a different parking place.

**16. Parked vehicles to be licensed and insured**

The driver of a vehicle shall not cause that vehicle to park in a parking place;

- a) if the vehicle has been declared S.O.R.N,
- b) unless the driver possesses a policy and certificate of insurance, in relation to the use of the vehicle by the driver, that complies with the requirements of the Act of 1988, and;
- c) unless the vehicle registration number plate is visible at all times and, that if it is obscured by any covering on the vehicle, the CEO shall be empowered to

uncover the plate to record the registration number;

### **17. Activities prohibited in parking place**

The driver of a vehicle using a parking place shall stop the engine as soon as the vehicle is in position in the parking place, and shall not start the engine except when about to change the position of the vehicle in, or to depart from, the parking place.

The driver of a vehicle using a parking place shall not sound any horn or other similar instrument except when about to change the position of the vehicle in, or to depart from, the parking place.

### **18. Actions requiring written permission the Council**

Except with the prior written permission of the Council, no person shall use any part of a parking place or any vehicle left in a parking place –

- a) for overnight sleeping, camping or cooking;
- b) to erect (or cause to be erected) any tent, booth, stand, building, structure or any other thing;
- c) to light, allow or cause any fire to be lit;
- d) to display, place on vehicles or distribute, or cause to be displayed, placed or distributed any notice, leaflet, handbill, booklet, book or other item; display or distribute, or cause to be displayed or distributed, any notice, leaflet, handbill, booklet, book or other item;
- e) for the unauthorised sale of any article to persons in or near the parking place, or in connection with the selling or offering for hire of his skill or services;
- f) for the furtherance of business of any kind, private or otherwise;
- g) for the purpose of servicing or washing any vehicle or part thereof, other than is reasonably necessary to enable that vehicle to depart from the parking place;
- h) for the display of any vehicle for sale or to sell any vehicle;
- i) to park any caravan or trailer unless otherwise approved before parking, in which case the caravan or trailer must;
  - i. be connected to the towing vehicle at all times,
  - ii. both units must fit wholly within marked bays,
  - iii. the towing vehicle must display consecutive valid pay and display tickets for the number of spaces occupied.
- j) to carry out repairs or adaptations to the vehicle unless the need for such works was not identified until after parking took place and that without them the vehicle could not be moved from the parking place PROVIDED such repairs are carried out within 24 hours of the identification of the breakdown.

### **19. Annoyance, nuisance and antisocial behaviour**

No person in a parking place shall;

- a) shout or make or cause any loud noise to be made to the annoyance or disturbance of any users of the parking place, any occupants of adjoining or neighbouring premises or any passers-by;
- b) use any threatening, abusive or insulting language, gesture or conduct likely

- to occasion, or occasioning, a breach of the peace;
- c) deposit litter or fly tip any items;
  - d) cycle, skateboard, or play any ball game or any other game;

#### **20. Alteration of the position, of vehicles**

For the purpose of meeting the requirement of an emergency, an authorised person may alter, or cause to be altered, the position of a vehicle in a parking place or remove or arrange for the removal of a vehicle from a parking place.

Any person removing or arranging the removal of a vehicle by virtue of this Article shall make such arrangements as he considers reasonably necessary for the safety of the vehicle in the place to which it is removed.

#### **21. Requirements for the safe management of parking places**

An authorised person may move, or cause to be moved, any vehicle or other container containing any substance which appears to him to be hazardous to health as defined by the Control of Substances Hazardous to Health Regulations 1988 or any other legislation relating to health or safety.

#### **22. Restrictions on driving of vehicles in parking places**

Where in a parking place signs are erected, or surface markings are laid, for the purpose of either indicating the entrance to (or exit from) the parking place; or indicating that a vehicle using the parking place shall proceed in a specified direction within the parking place, no person shall drive, or cause to be driven, any vehicle;

- a) so that it enters the parking place otherwise than by an entrance so indicated;
- b) so that it leaves the parking place otherwise than by an exit so indicated; or
- c) in a direction other than so specified.

No person shall, except with the prior written permission of the Council, drive or cause to be driven any vehicle in a parking place for any purpose other than that of leaving that vehicle in the parking place in accordance with the provisions of this Order or for the purpose of departing from that parking place.

#### **23. Securing or removal of vehicles in relation to the execution of court warrants by third parties**

The Council gives permission for appointed court Bailiffs and appointed Enforcement Agents (for the purposes of the execution of court warrants) to act on warrants pertaining to vehicles parked within the parking places listed in Schedule 1 (Tables of parking places)

## **Part D – Parking Permits and Season Tickets**

### **1. Application for a permits and season tickets**

The registered keeper of a vehicle may, on application to the Council, purchase a season ticket which will enable a vehicle to park a) in a parking place for which season tickets are available and b) for a charge, both of which are identified in Schedule 1 (Tables of Parking Places).

### **2. Validity of season tickets**

Season tickets are issued subject to the provisions of this Order, and to availability, and are only valid (unless otherwise specified) in respect of the parking place or places for which it was issued.

### **3. Granting of Permits**

The Council may at any time, whether on payment or otherwise, grant written permission by way of a permit for vehicles to park in such parking places and at such times as it may consider appropriate:

Provided that a Permit Application Form (obtainable from the Council) is completed and submitted, together with the relevant authorisation(s) and any appropriate fee

Applicants for these permits shall complete all information required by such Forms, and the Council may, at any time, before or after its issue, require an applicant to produce to an officer of the Council reasonable evidence which verifies the information provided.

PROVIDED that no vehicle shall be left in a parking place in reliance upon such permission, and unless a permit issued in accordance with such permission is fixed in the relevant position on or in the vehicle in respect of which it was issued.

### **4. Discretion to issue permits and season tickets**

Without prejudice to the Council's powers as set out in this Order, the Council shall have discretion not to issue preferential permits, permits or season tickets (including off-peak season ticket) to a vehicle which has three or more unpaid and unchallenged penalty charge notices issued by the Council, being those penalty charge notices where payment is lawfully due.

### **5. Charges for replacement of season tickets**

An administrative charge, currently £10, may be made for the replacement of any season ticket, whether resulting from loss, damage or to change details thereon.

### **6. Rights to terminate parking permits**

The Council shall be entitled to terminate all rights granted by the issue of any season ticket (including off peak season ticket), preferential permit, or permit if at any time the holder is in contravention of any of the provisions contained in this Order. In any such circumstance the holder shall not be entitled to any refund whatsoever without prejudice to any other right of action the Council may have whether under this Order or otherwise.

Notwithstanding the previous paragraph, the Council shall be entitled to terminate, without notice and for any reason, any season ticket (including off peak season ticket), preferential permit or permit, but subject to a full refund for any unused period.

**7. Season tickets - Relating to Borough Green**

In the case of Western Road, Borough Green Car Park, season tickets will only be issued to those whom the Council deem to be working in Borough Green town centre.

**8. Season tickets - Relating to Ryarsh Lane, West Malling**

In the case of Ryarsh Lane, West Malling Car Park, the Car Park is reserved for season ticket holders only, during the specified hours of the Schedule and they will only be issued to those whom the Council deem to be working in West Malling town centre;

**9. Season tickets - Relating to Commercial Road, Tonbridge**

In the case of Commercial Road, Tonbridge, season tickets will only be issued to those whom the Council deem to be resident in Commercial Road, and the Council may limit the number of season tickets issued to reflect the limited number of spaces.

**10. Relating to Village Field car park**

The registered keeper of a vehicle may, on application to the Council, purchase a preferential permit provided they meet the Zone R qualifications established in the Preferential Parking Scheme in the On Street Parking Order. This will allow parking in the Village Field Car Park, East Malling listed in GROUP 15, Schedule 1 (Tables of Parking Places).

The owners of the Village Field Car Park, East Malling, currently East Malling and Larkfield Parish Council, may at any time, whether on payment or otherwise, grant permission for vehicles to park in the Village Field Car Park, East Malling, listed in GROUP 15, Schedule 1 (Tables of Parking Places), at such times as it may consider appropriate:

PROVIDED that no vehicle shall be left in a parking place in reliance upon such permission, and unless a permit is displayed in a relevant position on or in the vehicle in respect of which it was issued.

## **Part E – Enforcement and Contraventions of this Order**

### **1. Parking “out of bay”**

A vehicle that is left within a parking place where parking spaces are marked outside of those marked parking spaces shall be deemed to be in contravention of this Order.

### **2. Parking with an expired or amended ticket or permit**

A vehicle that exhibits an expired or amended P & D ticket, T & D ticket, season ticket (including off peak season tickets), preferential permit or permit is invalid and is in contravention of this Order.

### **3. Penalty charge notice**

Where a vehicle is left in a parking place in contravention of any of the provisions of this Order, a civil enforcement officer may attach to the vehicle in a conspicuous position a penalty charge notice, in accordance with the Act of 2004, or by handing the penalty charge notice to the driver, or by subsequent postal issue.

### **4. Disposal of Vehicles abandoned in a Parking Place.**

The Council, as respects any vehicle which has been or could at any time be removed from a parking place in pursuance of this Article if it appears to them to have been abandoned, may sell or otherwise dispose of the vehicle and may recover any expenses and charges reasonably incurred from any person responsible.

## **Part F – Exceptions and Exemptions**

Schedule 2 (Exemptions from initial charges in parking places) shall have effect for the purpose of exempting drivers of vehicles from payment of a parking charge.

## **Part G - Revocations and Consolidations**

*Tonbridge & Malling Borough Council (Off-Street Parking Places) Order 2021* and its subsequent amendments are to be revoked in its entirety, to be replaced by this Order.

## **Schedule 2 - Exemptions from initial charges for parking in parking places**

The drivers of the following vehicles shall be exempt from payment of an initial charge for parking during the charging periods, though any payment for re-charging of batteries in electric vehicle charging bays would still apply:

- (a) A disabled person's vehicle parked in accordance with the provisions of Part C.
- (b) A motor cycle (without a sidecar) or a moped as defined in the Act of 1994 parked in a motor cycle bay – a parking bay reserved for the parking of motor cycles and mopeds.
