

Notice of Motion submitted pursuant to Council Procedure Rule No. 5.27

To consider the following Notice of Motion proposed by Councillor J Clokey on behalf of the Liberal Democrat Group:

Winter Fuel Payments:

Council notes the recent announcement by the Labour Government to end universal winter fuel payments and restrict eligibility to only those in receipt of Pension Credits and other benefits.

Though many agree that universal Winter Fuel Payments are not necessary, Council is deeply concerned that many pensioners on lower and middle incomes will now not receive the payments. Across England and Wales the number of people eligible for winter fuel payments will fall by 10 million (from 11.4 million to only 1.5 million).

In Tonbridge and Malling the number of pensioners affected by the change in eligibility criteria is 22,217. That means 92.8% of pensioners currently eligible for winter fuel payments will no longer be able to claim the payment from this winter onwards.

Council believes that the Labour Government has set the threshold at which pensioners do not qualify for Winter Fuel Payments far too low. Only those receiving a pension of less than £218.15 a week (or £332.95 a week for couples) are eligible for pension credits. This is significantly lower than the living wage rate.

Council is also concerned by the low take up of pension credit with only 63% of those eligible nationwide receiving them – and over 880,000 pensioners not doing so. Council recognises the role we have to play to increase awareness of benefits such as Pension Credit to ensure people are aware of the support they are entitled to.

Council further notes that the Energy Price Cap is due to rise by 10% in October, which combined by the removal of Winter Fuel Payments will push thousands of local pensioners into fuel poverty.

Council is asked to:

- Instruct the Chief Executive to write to the Chancellor of the Exchequer calling for the policy on linking Winter Fuel Payments to Pension Credit receipt to be immediately paused and introduce a new threshold to determine eligibility for Winter Fuel Payments. Council further requests the Chief Executive write to all MPs covering Tonbridge and Malling asking them to give their formal support to halting the changes to the Winter Fuel Payment eligibility;
- Request all group leaders within Tonbridge and Malling Borough Council sign a joint letter to the Chancellor of the Exchequer calling for the new Winter Fuel Payment policy to be suspended and reviewed; and
- Urgently extend the scope of our awareness campaign to maximise uptake of pension credits. This will include use of council noticeboards, social media, promotion through local press, targeted communications with local voluntary

sector partners and investigation of the feasibility of sending targeted letters to those that we can identify as likely to be eligible.
