Good afternoon Andy,

Kent Police have no specific observations to make regarding the waiting restriction proposals, however in general terms we would expect the following:

- The application meets the necessary criteria
- The introduction or removal of Parking restrictions complies in all respect with the Traffic Signs Regulations and General Directions 2016
- The introduction of such measures will not leave the Police with the task of carrying out constant enforcement issues
- The safety of other road users is not compromised by the introduction of these measures

Civil Parking Enforcement will require Local Authority to ensure resources are available to enforce these proposals.

Our reference for your proposals is 059/25

Kind regards,  
David.
