

GUIDANCE ON HOW MEETINGS WILL BE CONDUCTED

- (1) Most of the Borough Council meetings are livestreamed, unless there is exempt or confidential business being discussed, giving residents the opportunity to see decision making in action. These can be watched via our YouTube channel. When it is not possible to livestream meetings they are recorded and uploaded as soon as possible:

- (2) There are no fire drills planned during the time a meeting is being held. For the benefit of those in the meeting room, the fire alarm is a long continuous bell and the exits are via the doors used to enter the room. An officer on site will lead any evacuation.
- (3) Should you need this agenda or any of the reports in a different format, or have any other queries concerning the meeting, please contact Democratic Services on committee.services@tmbc.gov.uk in the first instance.

Attendance:

- Meetings of the Forum will alternate between 'in person' or online meetings. Please check the agenda as this will set out the meeting venue.
- Members of the Forum should attend in person wherever possible those meetings that are to be held in person.
- Those Members of the Forum who cannot attend in person have the opportunity to participate online.
- Other Members of the Council are encouraged to participate online.
- Officers can participate in person or online.

Before formal proceedings start there will be a sound check of Members/Officers in the room. This is to ensure that those participating online can hear those in the meeting room and confirms attendance.

Ground Rules:

The meeting will operate under the following ground rules:

- Members in the room should indicate to speak in the usual way and use the microphone passed to them.
- If there any technical issues the meeting will be adjourned to try and rectify them. If this is not possible there are a number of options that can be taken to enable the meeting to continue. These will be explained if it becomes necessary.

For those Members participating online:

- please request to speak using the 'chat or hand raised function';
- please turn off cameras and microphones when not speaking;
- please do not use the 'chat function' for other matters as comments can be seen by all;
- Members may wish to blur the background on their camera using the facility on Microsoft teams.
- Please avoid distractions and general chat if not addressing the meeting
- Please remember to turn off or silence mobile phones
