

COUNCIL

MEETING OF 21 APRIL 2026

**AGENDA ITEM 7 - QUESTIONS FROM THE PUBLIC PURSUANT TO COUNCIL
PROCEDURE RULE NO 5.6**

The following question has been asked pursuant to Council Procedure Rule No 5.6 by Mr Matt Johnson, Chairman, Snodland Historical Society:

Re: Archaeological concerns at the proposed development site SN1: Land north of Holborough Lakes, Snodland

“The proposed development area is in very close proximity to a previously excavated prehistoric ring ditch, a Roman tumulus, and an Anglo-Saxon burial mound. Multiple graves of great historical significance have previously been discovered in this area.

What considerations and/or risk assessments are being given to archaeological surveys and the subsequent preservation of any potential historical artefacts that might be uncovered?”

A response will be provided by the Cabinet Member for Planning (Cllr M Taylor) at the meeting and set out in full in the Minutes.
